ON THE GO!

Be it breakfast, brunch, lunch break, coffee break or a snack – little breaks can be taken at any time of the day. Trendy, young, and healthy food served fresh for people on the go. Straight-forward with no fuss.

TAKE A BREAK by SCHÖNWALD offers bakeries, cafés and bistros an appropriate, modern variety of products, fast delivery times and an all-in service, allowing them to join in this casual dining trend in a stylish and exciting way. The range consists of thoughtfully selected items which can be used for all kinds of food and beverages.

Particularly versatile: the rectangular set platter. Burgers, pizzas or sandwiches can be placed on it next to cups, small salad bowls or glasses. The small bowls are equally suited to serve as soup cups or as buddha bowls. The saucers are multipurpose as well. They can be used under latte macchiato glasses or bowls.

GOOD VIBES

Those who want to bring some good vibes to daily life can add some colours to their individual selection of tableware. Attractive decors lend a personal touch to the small in-between snack and create a modern, pleasant atmosphere.

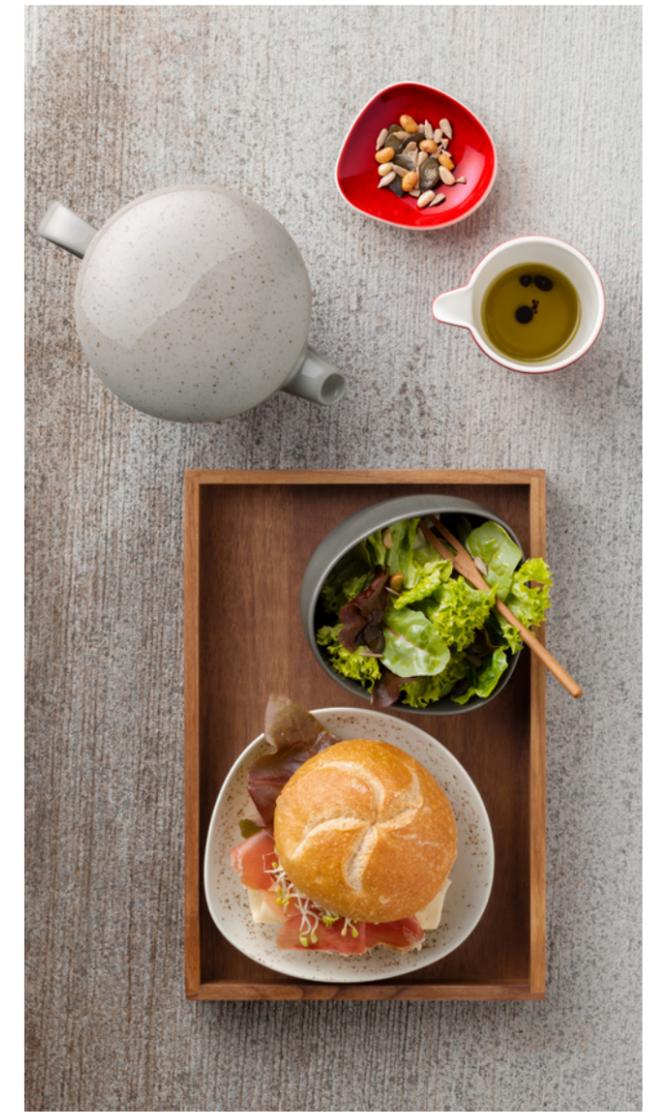

Current trend: a rustic handmade look which underlines that the food is freshly prepared. If you want even more variety, you can combine decorated and white porcelain or mix it with trendy accessories from our PLAYGROUND product range, such as preserving jars or wooden trays.

EASY-GOING ALL-ROUNDERS

Not only do the semi-deep plates look cool with their straightforward design. They are also real all-rounders in daily use. Salads, pasta, steaks or crispy croissants all look fantastic on them. The absolute favourites, the well-sized burger and snack platters by TAKE A BREAK are perfectly suited to all the popular food-formats loved by this particular group of customers.

The COFFEE-2-GO-mugs, made of durable hard porcelain and sealable with a white or black lid, send a sustainable signal against the throw-away mentality of disposable cups. The professional porcelain stores the heat excellently. A textured silicone-sleeve gives a secure grip and protects the fingers from being burnt on the way.

READY... SET... GO...

SCHÖNWALD'S comprehensive product range does, of course, offer even more collections that are ideally suitable for the use in bakeries, cafés and bistros. A wide assortment of professional

quality made in Germany is at your disposal – be it round, amorphous, cream-coloured or white.
